

Dear Member,

Hello! I hope all is going well at your site! It was a pleasure meeting you all at mid-year. Your commitment and high enthusiasm for your year of service (shown through storytelling, personal accounts and general demeanor) are truly inspiring! Thus, I would like to invite you to consider a second year of service through Notre Dame AmeriCorps.

As a current member, you already understand that the benefits you reap as a member are numerous. Now consider these rewards two-fold and this is what you receive as a second-year member! And what about the lives you are changing and the hearts you are touching? Would you like to make an even bigger impact?

This is your chance. Notre Dame Mission Volunteers - AmeriCorps is holding all positions until April 31st, 2008 for current members who are interested in serving a second year! Although this date may seem to be approaching soon, you more than likely have been considering your future with NDMVA from the first minute you set foot on your service site. We now ask you to consider your options more seriously.

We are holding your positions until April 31st, 2008 because we know how mutually beneficial a second year of service is to NDMVA, your site, those you serve, and yourself. If you have any questions about the benefits (or hardships) of a second year, please talk to a second-year member, your Site Director, or myself.

If you are interested in serving a second year please write your Site Director a letter of intent stating why you are interested and where you would like to serve. He/she will then send this letter and a recommendation to the National Office.

I look forward to hearing from you and being of any assistance I can throughout your decision making process. Again, it was a pleasure to meet you at Mid-year and I hope to see you again next year!
